

# Application For Admission Malay's Severe Neuropathy And Chronic Pain Program

If you are reading this you have been fortunate enough to qualify for a **consultation** with the Doctor at no charge. This however does NOT mean that your case has been accepted. Your consultation today will determine if:

- A) You are a legitimate candidate for this program, and
- B) Your condition is serious enough to warrant your case being accepted for treatment. In the event your condition IS serious enough to warrant being considered for acceptance and the Doctor is UNAVAILABLE to treat you, options will be made available to you.
